Exchangers Undecided on Shrine Plans

Albany Exchangers today were debating between two proposed plans for their Freedom Shrine to be constructed here the early part of next year.

The club Tuesday night in a dinner meeting at Pietro's saw a sneak preview of proposed drawings as presented by William Young, architect.

The drawing pictured a "free standing torch" approximately nine feet high, while the other featured a modern wall-type structure with a smaller torch attached to the upper portion.

Members voted to display the proposed plans in local banks to get a cross section of opinions.

President Sid Weinzeimer named a committee composed of William Young, William Garren, Joe Young and John Fleich to meet with the Planning and Zoning Commission to discuss proposed sites and other details of the Shrine.

In other business, the club completed plans for the annual Halloween party to be held 8 p.m., Saturday at the West of Sacramento Boys' Hall, 2027 Seventh St., Berkeley.

Ed Haran is decoration chairman, assisted by Milton Gordon, Richard McSheehy and Elmer Ven-

Albany has its first campaign headquarters for a State governor with the opening of a rally center at 1111 Solano for re-election of Gov. Earl Warren. Albany leaders participating in opening ceremonies are, seated, left to right: Mrs. Freda Kruger and Mrs. May Olson, co-chairmen, and Judge Louis J. Hardie, chairman of Albany Democrats for Warren. Standing, left to right, are Louis Leone, Joe Villa, Mayor Charles F. Gracber, Atty. George Glavinovich and Fred Granholt.

Chest Quota Passes Half-Way Mark; Drive Extended Through Next Week

Spooks to Strut At MacGregor

Ghost will gambol and spooks will strut at MacGregor School next Tuesday afternoon at 1 p.m. when costumed children parade in their annual Halloween fete.

Marching to the recorded strains of Grieg's "March of the Dwarfs" and Rebikov's "March of the Gnomes," the children will exhibit their costumes to watching parents.

Circling the schoolyard, they will return to their rooms to enjoy a little party given by MacGregor PTA. Room mothers will serve orange juice and cookies in each room.

The little MacGregor Witches gnomes have already sold so many tickets for the PTA's November 10 Turkey Whist that a record attendance is assured.

Ghost, Witches, Van and Esther On Theatre Bill

Spook lovers will have the opportunity to see what ghost appear to be in early childhood—before achieving the older ways of broomsticks and haunted houses—by attending the gala Halloween stage and screen show Tuesday night at Albany Theatre.

"Spooks in Person" is the stage attraction, featuring students of Jean's Dancing School.

On the movie bill is "The Duchess of Idaho," with Esther Williams and Van Johnson, M-G-M Technicolor musical, and "The Kid From Texas," a Billy the Kid story with Audrie Murphy and Gale Storm. At 11:30 p.m. there will be a midnight suspense thriller, "The Inner Sanctum," featuring Charles Russell and Mary Beth Hughes.

Dancers in the stage show include the following:

The Ghost Dance, children 12 to 15—Lois and Peggy Sherry, Joan Combs, Linda Taggart, Adrian Sagiano, Susan Young, Shirley Walther and Beverly Joost.

Witches—students 2 to 5 years, Mildred Johnson, Janet Goul, Donna Sproule, Melaine Shum, Wendy Rashall, Patty Maranda, Susan Mac Schefer, Barbara Marks, Lauren Backer and Jean Rogers.

Skeletons, children 7 to 10—Rose Anne Toul, Sharon Girich, Dede Vigna, Susan Olsen, Nancy Urichurch, Cynthia Price, Judy Ceridono, Patricia Gehl, Joyce Beverly and Patricia Norton.

Brandine Harriman, 5, will be seen as the black cat accompanying the Witches.

TURKEY WHIST SET NOV. 3

The Thousand Oaks Sewing Circle is sponsoring its annual turkey whist 8 p.m. November 3 at Thousand Oaks Masonic Temple, Colusa and Catalina Aves.

Democrats Join Warren Campaign

Five leading Albany Democrats today join forces to organize an Albany "Democrats for Warren Committee" for the support of Gov. Earl Warren at the November 7 election.

Judge Louis J. Hardie is serving as chairman, and assisting are John C. Longaker, Elmer Stryker, Harold W. Olson and Gartner Thomas.

The committee as a group expressed the opinion that "Warren has not played politics with the governor's office."

"He has called on Democrats and Republicans alike, and has not concerned himself as to the political affiliations of those named by him to public office."

"Warren has always based his appointments upon merit, ability and service to the people. He has many times entrusted sponsorship of vital legislation to Democrats in both houses of the legislature."

"At no time has he placed the party before people. That is why we find thousands of leading Democrats and liberals throughout the State campaigning for his re-election."

"Gov. Warren has proven himself to be a governor of all the people," the Albany group said.

Pimentel Heads School Disaster Program Here

Dr. Paul C. Bryan, superintendent of Albany schools, recently announced the appointment of Douglas D. Pimentel as director of Disaster Preparedness for the Albany Schools, succeeding Dr. Hiram F. Cromer, who has been recalled to active duty in the Naval Reserve.

Pimentel is now serving as vice-principal of the Albany Adult Education Center, and plans to add Robert G. Dennis, principal, in organizing Civilian Defense and First Aid courses which are recommended by the Albany Disaster Council. Many Albany residents have expressed an interest in these courses, and schedule for these classes will be announced soon.

Two Albany Students Appointed Leaders For Jr. R'Cross Meet

Two Albany High School students today were named as sectional leaders for the Junior Red Cross regional conference to be held in Alameda tomorrow.

They are Lois Boam and William Stayton, selected by the Pacific Area office of American Red Cross to conduct discussion groups, according to Carroll Johnson, Junior Red Cross chairman of Berkeley Chapter.

Both students were sent as delegates by the Berkeley Chapter to the junior leadership training conference at Camp Seeley near San Bernardino this summer.

Spooks to Strut At MacGregor

Ghost will gambol and spooks will strut at MacGregor School next Tuesday afternoon at 1 p.m. when costumed children parade in their annual Halloween fete.

Marching to the recorded strains of Grieg's "March of the Dwarfs" and Rebikov's "March of the Gnomes," the children will exhibit their costumes to watching parents.

Circling the schoolyard, they will return to their rooms to enjoy a little party given by MacGregor PTA. Room mothers will serve orange juice and cookies in each room.

The little MacGregor Witches gnomes have already sold so many tickets for the PTA's November 10 Turkey Whist that a record attendance is assured.

Ghost, Witches, Van and Esther On Theatre Bill

Spook lovers will have the opportunity to see what ghost appear to be in early childhood—before achieving the older ways of broomsticks and haunted houses—by attending the gala Halloween stage and screen show Tuesday night at Albany Theatre.

"Spooks in Person" is the stage attraction, featuring students of Jean's Dancing School.

'Times Are Better Than You Think,' Lt. Gov. Knight Told Rotarians

"Times are better than you think. Our country is not on the edge of chaos as some would have you believe," Lt. Gov. Goodwin Knight told Albany and El Cerrito Rotarians Monday in a luncheon meeting at the Veterans Memorial Building.

"Sensationalism seems to be the catching thing of the day," he said. "We hear about the things that are wrong with our country, but only a mention of all the good."

Speaking on "What Makes America Great," Knight pointed out to Rotarians and guests that four things have made America great.

First, wealth of the nation. The development of natural resources, forest, rivers, fields and industry.

Second, the people. He said that during the past century 18 million immigrants came to America. "They came and worked. They were not ashamed to be humble, to be thrifty or religious."

Third, the Constitution, the people's contract in writing of individual freedom and right to happiness.

Fourth, religion.

"Our country places divine guidance before national emblems," he said. "We are a God fearing and God loving country. Religion is a great power of our life. I think we have been God's descendants for these freedoms."

"America is not going backwards," said Knight. "We are not being fooled and we will continue to develop our resources through education."

Knight listed honesty, health and judgment as the three essentials of happiness for a politician.

The speaker was introduced by Atty. Cecil Lavers, a charter member and past president of the Albany club.

LT. GOV. GOODWIN KNIGHT

All-Year-Round, Around the Clock Garment Show Set

Dressmaking and millinery students of Mrs. Henrietta Widmer, Mission Adult School, San Francisco, will present two fashion shows at Albany Adult Education Center on Wednesday, November 1. Shows will be presented at 2:30 and 7:30 p.m. in Room 106 of Albany High School.

Approximately 20 adult students will model dresses and hats which they have made under Mrs. Widmer's supervision at Mission Adult School. Previous fashion shows put on by this group have stimulated a great interest, and this show promises to be one of the best.

Mrs. Widmer is well qualified in the field of dressmaking and millinery, as she had a business of her own for over 12 years, and has been teaching adults for over 4 years.

Albany Adult Education Center students of sewing and millinery should be especially interested in this fashion show, since a great variety of garments will be displayed. The general public is invited to attend—men as well as women.

"Most men are hesitant about attending the first time," Mrs. Widmer stated, "but once they have attended one of our shows, you can usually count upon them to be there the next time."

Anyone interested in sewing and millinery is reminded that Albany Adult Education Center offers several afternoon and evening courses in these fields under the able direction of Mrs. Susan Reckas and Mrs. Edna Swenson (sewing), and Mrs. Adelaide Fyfe and Mrs. Lillian Moore (millinery).

Codornices Women to Discuss Nov. Ballot

Members of the Codornices League of Women Voters will hear the pros and cons of issues on the November ballot discussed by Mrs. Leonard Doyle, of the Berkeley League, at a meeting 8 p.m., November 2, at Codornices Community Center.

Mrs. Annette Golorsky is chairman of the evening. The public is invited to attend and join the discussion.

Spooks Must Haunt Before 10 O'Clock Says Police Chief

Albany spooks today were reminded by Police Chief Stanley C. Williams to do their haunting early Halloween (Tuesday) night, for the city curfew will ring at 10 p. m. for all ghost and witches.

Chief Williams extended his best wishes to all for a happy Halloween weekend, but added "any youngster indulging in malicious mischief would be picked up and held at the Police station until called for by parents."

In response to numerous queries as to when "trick or treat" night is to be held, Williams said the popular opinion is that the activity should be confined to Halloween night only, and for children under 12 years.

Legion Slates Gala Armistice Dinner Dance

Albany Post No. 292, American Legion today announced plans to stage its gala Armistice Dinner Dance the evening of November 10 at the Veterans Memorial Building, it was announced by General Chairman Richard McAllister.

The fall social event commemorating the ending of World War I will also be a home coming for former members of Albany Post and its Auxiliary.

"In keeping with the traditions of the past," McAllister said, "tables will be arranged for parties of eight. Those who do not wish to reserve a table may be seated with friends."

Serving on the table committee are Chairman James A. Sartain, Walter L. Holland and Commander Arthur Carlson.

Dinner will be served at 8 p.m., with dancing from 9 p.m. to 1 a.m. Walker Lyon is in charge of the menu and catering service.

McAllister said reservations for the informal dance will be accepted through November 3.

The Post has scheduled a roll call of members on Friday, November 3.

"This being the week previous to the ending of hostilities of World War I, it is proper and fitting for all members to assemble, especially veterans who founded the Albany Post," Carlson said.

Room Mothers Honor 1000 Oaks Teachers

Teachers and mothers of Thousand Oaks School students were "better acquainted" this week after a series of PTA sponsored teas.

Miss Patricia Cooke was honored Monday at a tea given by mothers of her low kindergarten students. The fete was held at the home of the room mother, Mrs. Kenneth Bottorf, of 1661 Tacoma Ave.

John Rozance was honor guest at a Tuesday luncheon given by mothers of his students at the home of Mrs. F. E. Lundberg, 737 Contra Costa.

A Wednesday evening party honored Miss Margaret Kimball at the home of Mrs. W. J. Wiloughby, room mother, of 653 Santa Rosa. Mrs. H. E. Fuller assisted with arrangements.

Special guests at each of the parties were Principal Emery Curcio, Mrs. W. S. Cordray, PTA president; Mrs. R. W. Cantril, carnival chairman and Charles Matini, room mother chairman.

Bazaar-Luncheon Set

The Albany Star Sewing Circle is sponsoring its annual bazaar today at the Community Methodist Church, Stannage and Marin Aves.

Luncheon will be served from 11:30 a.m. to 1:30 p.m. at 50 cents per plate, and baked ham dinner from 6 to 8 p.m. Dinners are \$1.25 for adults and 75 cents for children under 12.

The bazaar will feature beautiful hand work, novelties, home cooked food and candies.

PTA FOOD SALE SAT.

The Vista Primary PTA is sponsoring a food sale Saturday at 1111 Solano Ave., two doors from Albany Theatre. Cakes, pies, salads, etc., will be featured.

RESULTS LAST SUNDAY

Cerrito Civic Club defeated Berkeley Y.M.I. 9 to 8.			
El Dorado Oil defeated Hyvis Oil 9 to 6.			
Albany J. C. defeated Post Office 10 to 4.			
Kula Gulf won by forfeit from Maccabees.

On Our Stage Halloween Tues. 31st... Jean's Dancing School and 25—Children—25... Ghosts! Goblins! Witches! and a Midnight Picture. COME EARLY—STAY LATE—A WONDERFUL SHOW!

There's never a dull moment around Police Chief and Mrs. Stanley C. Williams home at 1220 Brighton Ave. That duck the Chief has his finger on is one of the many ceramic ornaments made by Mrs. Williams, shown putting the brush touch to a small bowl. Mrs. Williams, a talented artist, also hand painted the necktie the Chief is wearing. Both the Chief and his wife are expert pistol and rifle shots, and frequently stage their shooting act before Bay Area civic and fraternal organizations.—Courtesy Gazette.

'Fire Prevention is Up to You,' Title of Prize Winning Essay

Editor's Note: The following essay, written by Allen Babros, Albany High School senior, was awarded the \$10 first place in the recent fire prevention essay contest sponsored by Albany Jr. Chamber of Commerce. He is the son of Mr. and Mrs. Edward Babros, of 20 Pomona Ave. The \$5 second prize was awarded to Rita Russo.)

The best time to put out a fire is before it starts. That means, of course, don't let it start! How can you give any real help in preventing fires? First of all, by studying your own habits. What little carelessness things do you do that might

cause fires? That is important because it is carelessness which causes the great majority of fires. Although the loss from fires in the United States is gradually being reduced by the construction of fireproof buildings and other protective measures, fires still are responsible for an annual property loss of more than \$250,000,000 and bring death to 10,000 persons and injury to many thousands more. The tremendous fire loss and the cost of the fire departments are paid by all the citizens in the form of taxes, insurance, higher rents, and higher prices for goods and services.

The fire loss alone is about \$2 per capita each year. So isn't it worth while to help prevent fires? There are numerous ways in which everyone can share the responsibility of cutting down fire losses.

Always strike a match in a direction away from you; be sure the match is out before you throw it down; keep them in a metal container, out of the reach of children, and away from heat. Never carry loose matches in your pocket. "Matches don't think with their heads; so your head must think for them. Put them out."

Stoves and furnaces should be kept as far away as possible from woodwork; cover the woodwork closest to the stoves and furnaces with sheet asbestos, iron, or tin. Keep all flues in good repair, free from soot; never kindle a fire with kerosene. Stoves, furnaces, or pipes should never be allowed to become red-hot. A strong, high fire-screen should be kept before an open fire; loose papers should never be burned in fireplaces; and an open fire should never be allowed to be left burning over night or when the house is vacant.

A very foolish act is to look for gas leaks with matches, lamps, or candles; use a flashlight. Make sure current is off when electrical appliances are not in use. All electrical wiring in homes should be done by an expert. Never hang extension cords on nails or metal hooks.

Finally we've come to two of the most common fire makers, cigars and cigarettes. Never let anyone throw away lighted cigarettes or cigars; many forest fires are caused by careless smokers flipping burning cigarettes out their car windows. Also, smoking should never be allowed in garages, or in cars whose gasoline tanks are being filled. Keep a careful watch on careless smokers.

The next time you see any careless act which could result in a

136 Youngsters

Enroll in 'Y' Swim Class

Over 136 children enrolled in the YMCA sponsored swimming class at the Albany Pool recently for the 10-week course, according to Elmer F. Coble, executive secretary of Albany YMCA.

Boys and girls are grouped as beginners, intermediate and advanced swimmers, Coble said with separate instructions for each group.

John Zorovick, University of California swimmer with special training in YMCA and Red Cross teaching methods, is general instructor, assisted by William Woodworth, Dick Pawson, Dick Johnson, Jeff Keppel, Bruce Keppel, Allen Prestegard, Bill Peluso, Karen Price, Sandra Paget, Lynn Pawson and Gloria Viers.

After December 1, reservations for a second instructional period will be taken for a class opening on January 6.

The class meets from 12 noon to 2 p.m. on Saturday, and the fee is \$1 for 10 lessons.

A new class will be organized when sufficient number have enrolled, Coble said. Reservations may be made at the "Y" Community Center, 921 Kains Ave., or by calling LAnd. 5-4833.

Christian Science Sunday Topic Given

"The way of the Lord is strength to the upright; but destruction shall be to the workers of iniquity." This verse from Proverbs (10:29) will be the Golden Text for the Christian Science Lesson-Sermon on "Everlasting Punishment" to be read this Sunday, October 29, in all Churches of Christ, Scientist. Included among other citations from the Bible and from the Christian Science textbook "Science and Health with Key to the Scriptures" by Mary Baker Eddy, comprising the sermon, will be the following:

Psalms 103:2, 3: "Bless the Lord, O my soul, and forget not all his benefits: Who forgiveth all thine iniquities; who healeth all thy diseases."

Science and Health: "It is easier for Christianity to cast out sickness than sin, for the sick are more willing to part with pain than are sinners to give up the sinful, so-called pleasure of the senses. The Christian can prove this to-day as readily as it was proved centuries ago" (p. 138).

GOOD GOVERNOR

Jurivich Heads Cornell Students

Johnny Jurivich was elected president of the Cornell School student body Monday in an election conducted by the upper grades, Principal Milton Gordon said today.

Other officers elected were Charles Rydman, vice-president, and Gary Wilson, secretary.

Runner-ups for the respective positions will serve as high seventh grade officer. They are Joe Ann Alpegnini, president; Frank Gerardi, vice-president and Richard Masuero, secretary.

Nominations were made by William Gubser's light seventh graders. After a week of campaigning, each candidate presented a speech before the fifth, sixth and seventh grade students at an assembly. The students then returned to their rooms and voted on prepared ballots.

Caldecott Rally Forces Organize

Berkeley and Albany women are rallying forces today to campaign for the re-election of Assemblyman Thomas W. Caldecott in the 18th District.

The committee includes: Miss Alta Bates, Mrs. George Chester Badger, Mrs. Arthur K. Beckley, Mrs. Marjorie Benedict, Mrs. Stanley L. Bolton, Mrs. Louis D. Browning, Mrs. Ira S. Campbell, Mrs. Harry A. Cobden, Mrs. James A. Dorst, Mrs. Marion O. Coons, Mrs. Adeline Gargurevich, Mrs. Walter Gordon, Mrs. Madeline Gilchrist, Mrs. H. F. Hartzell, Mrs. Benita A. Herick, Miss Sue J. Irwin, Mrs. Grace L. Higgins, Mrs. Kathrynne Etingoff, Mrs. Frank Lobbett, Mrs. Perry Mack, Mrs. Vivian Osborne Marsh, Mrs. Floyd Parker, Mrs. Myrtle McLean, Mrs. Gladys A. Penland, Mrs. Kent Purcell, Mrs. Beatrice Raymond, Mrs. Mabel G. Ryken, Mrs. Lee B. Thomas and Mrs. Violet Richardson Ward.

Juniors Rehearse 'What a Life' For November 3

The forthcoming production of Albany High School Junior's "What a Life," has completed almost every stage of rehearsal, with the performance date set for 8 p.m. November 3 at Albany High School Auditorium.

Director Richard Hillman said rehearsals this week showed each of the cast were improving on lines and "getting just the right amount of accent in voice."

"Since the play concerns Henry Aldrich, most of the boys and girls in the cast have little trouble with their roles," Hillman said. "Portraying another teenager, in most instances, is rather easy," he added.

If a man does not know to what port he is steering, no wind is favorable to him.—Seneca.

Civic Opera Needs Tenors And Basses

The California Civic Opera Co. this week opened auditions for a production to be presented in January, according to Evelyn Kossan, publicity director. Particularly needed in the new cast are tenors and basses.

Auditions are held each Monday night before rehearsals at the Washington School, Grove and Bancroft, Berkeley.

The company, under direction of Maestro Gastone Usigh, presented the first class performance of Verdi's "La Traviata" on October 14 before a packed house at Oakland Auditorium Theatre.

For additional information on auditions, call Miss Kossan at OLYmpic 2-0728 after 3 p.m.

Featuring the new Merc-O-Matic automatic transmission, the 1951 Mercury combines many styling and engineering changes. The Merc-O-Matic, developed by Ford Motor Company engineers, is a combination of a torque converter and three-speed transmission which results in a smoothly operating, pleasantly performing drive. New rear fenders and quarter panels,

a new grille and front end trim, new bumpers and an extra-large rear window give the 1951 Mercury an ultra-smart appearance. Added smoothness, quietness and an increase in horsepower are present in the improved 112 hp V-8 Mercury engine. New colors and interior trims add to the distinctiveness of the 1951 Mercury. Shown here is the four-door sport sedan.

When you get right down to the root of the meaning of the word "succeed," you find that it simply means to follow through.—F. W. Nichol.

There is no road to success but through a clear, strong purpose. A purpose underlies character, culture, position, attainment of whatever sort.—T. T. Munger.

Vote for
EARL WARREN
A GOOD GOVERNOR

What Earl WARREN has done for our Schools

- California stands first in financing Education
- Reorganized School Department for greater effectiveness
- Met teacher shortage; increased minimum salaries, now highest in Nation
- Established Teachers' Retirement Fund on a sound basis
- Obtained Federal surplus property at 1/10 original cost
- Aided "distressed" School Districts
- Built 3 new State colleges; new U. C. campus; new schools for handicapped
- Activated National School Lunch Program in 2,134 schools
- Established 100 Audio-Visual Centers
- Set up Bureau of Readjustment Education for G. I. students
- Continued Child Care Centers for needy
- Increased Adult Education by 95% over 1943; now leads the Nation
- Constantly increased school funds; now about 1/3 of State budget
- Undertook construction of 2000 new schools in 1950

Liquid Gold

It means a better living for you
... for all California

Here's Herman Dickman, head of the Agricultural Department of Lodi Union High School. His job is to turn out tomorrow's successful ranchers and growers. A substantial portion of the funds that support San Joaquin County Schools comes from P.G. and E. taxes. And, P.G. and E., by the way, is California's largest property taxpayer.

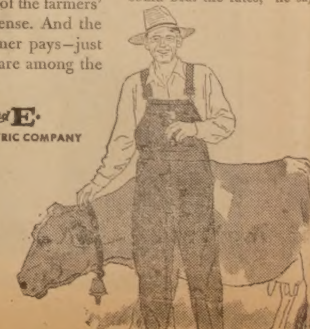

Irrigation water is California's liquid gold. Pumped onto farm land in P.G. and E. territory it increases average annual per-acre crop values twenty times!

This water, electrically pumped, helps grow 231 different crops; it has done much to make agriculture the basic industry of the state, with a gross annual farm income of 2 billion dollars. This huge sum flows into the channels of trade, creating jobs and prosperity in the cities as well as on the farms.

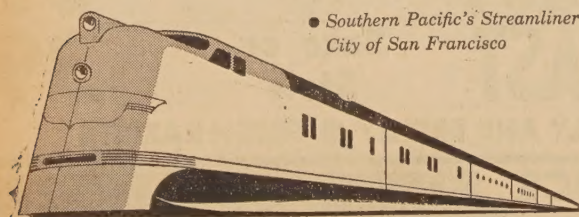

Yet, P.G. and E. electric power for irrigation pumping on the farm is so low in cost that, on the average, it constitutes only 3.5% of the farmers' crop production expense. And the rates the average farmer pays—just as the rates you pay—are among the lowest in the nation.

P.G. and E.

PACIFIC GAS AND ELECTRIC COMPANY

The fastest thing on wheels to Chicago...

• Southern Pacific's Streamliner
City of San Francisco

Southern Pacific's Streamliner City of San Francisco is the fastest thing on wheels between San Francisco Bay Area and Chicago—nearly half a day faster than any train on any other route. Extra fare.

Next fastest train to Chicago is Southern Pacific's San Francisco Overland. No extra fare. Exciting daylight ride over the crest of the High Sierra.

Both trains offer luxurious Pullmans, lounge and dining cars; reclining chair cars and coffee shop-lounge for chair car passengers.

\$48.79 to Chicago in streamlined chair cars on the San Francisco Overland. Add \$5.00 extra fare for the City of San Francisco. Federal tax additional.

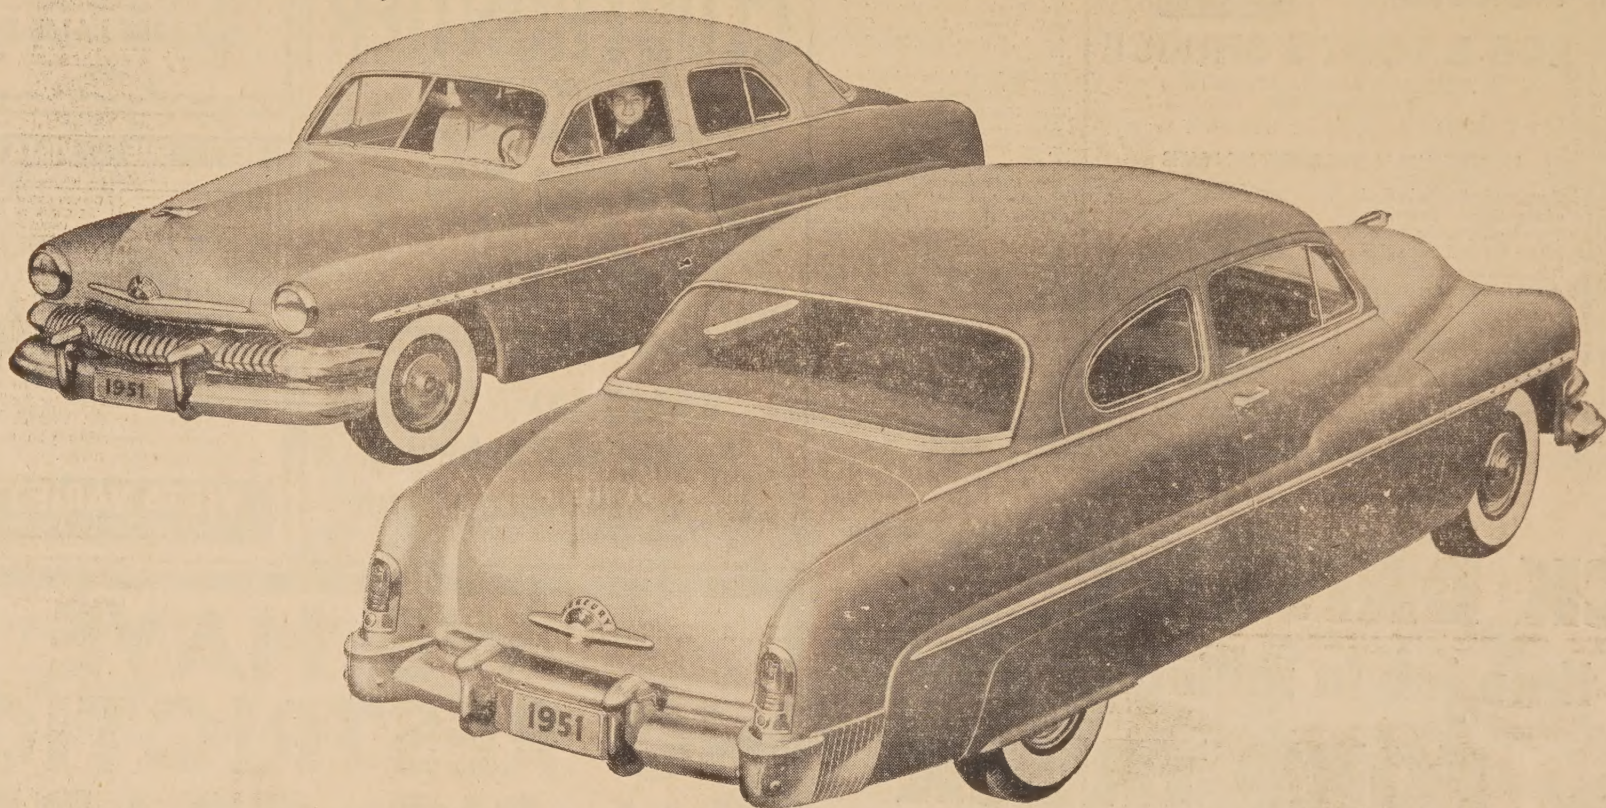

S.P.

The friendly Southern Pacific

The new 1951 MERCURY

has MERC-O-MATIC DRIVE

a simpler, smoother, more efficient automatic transmission

★ A thrilling new experience in motoring is awaiting you at our showroom today. It's the 1951 Mercury with Merc-O-Matic Drive—a smoother, simpler, more efficient automatic transmission—developed on the toughest mountain and desert trails in the West... designed to take all the punishment and wear we Westerners can give it. And it's thrifty. It's thrifty because Merc-O-Matic is coupled to the sensational powerplant that won the Grand Canyon Gas-Economy Sweepstakes. It's powerful because Merc-O-

*1951 Mercury offers three transmission choices: Merc-O-Matic, gas-saving Touch-O-Matic overdrive, or standard transmission.

Matic is teamed with the Pace Car engine of the Indianapolis 500-mile Race. Where else can you match a revolutionary new power-economy combination like this?

But Merc-O-Matic* is not all that's new!

This 1951 Mercury has sweeping new styling fore and aft. The new front grille has shock protectors that blend right into the sleek lines of the car. The new back has long, graceful fenders that sweep out almost to the bumper line. And notice the new wrap-

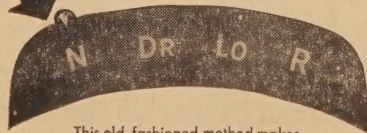

around bumpers... the new wheels... the whole new look of this 1951 Mercury.

Come on down to our showroom today and we'll show you fresh, new color tones to choose from—inside as well as outside. New fabric designs, new interior trim, a newer and better ventilating system. Even the rear window is 29% bigger for safer vision.

We say that this great new 1951 Mercury will write history in the automobile business. As you can see, there's just nothing else like it on the road.

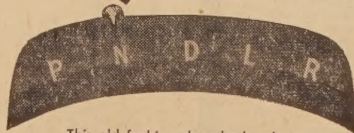

For "the drive of your life —"

Not this

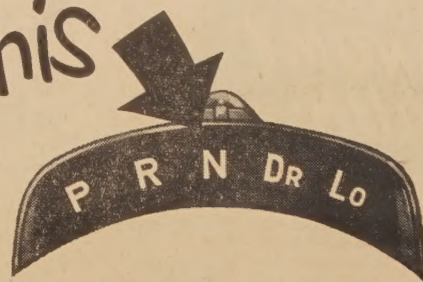

This old-fashioned method makes you move through Lo to get into Reverse. There is no Park position to lock your wheels safely on hills.

Not this

This old-fashioned method makes you move through Drive and through Lo to get into Reverse.

But this

See how easy and natural is the sequence of power selections with the new Merc-O-Matic automatic transmission. When you first start the car, you move directly from Neutral into Forward or Reverse, just as you are accustomed to doing with standard transmission. And "P" locks your wheels for safety while you park!

Marin PTA Concludes Fall 'Friendship Tea' Series

A series of fall "Friendship Teas" sponsored by Marin PTA for the mothers of Marin students concluded today under direction of Mrs. A. E. Anaciero, room mother chairman.

Two teas were arranged for mothers of students in Vance Teague's high fifth room, the first by Mrs. C. Markley, assisted by Mrs. Louis De Monte, Mrs. Anthony Rinna and Mrs. Johnnie Starbuck. For the second group of guests, Mrs. E. Marinoni and Mrs. John M. Flinn made the necessary preparations. Autumn flowers were used for both teas.

Mrs. A. E. Whiteman, Mrs. M. Hickman and Mrs. J. S. Silver used the theme "United Nations" for the first grade tea. Tables were decorated with flags from each country and appropriately dressed dolls.

Black cats, pumpkins, autumn fruits and leaves paraded down the tables at the tea for mothers of the kindergarten children. Mrs. H. McNair was in charge, assisted by the Mesdames H. E. Atfield, C. G. Cardiff, R. P. Connell, P. Cooper, C. L. Danner, G. M. Good and W. H. Spicer.

The second grade children made part of the decorations for their mothers' tea. A "Travel" theme was carried out with all modes of transportation, tunnels and miniature replicas of vehicles filled with flowers. Room mothers, Mrs. Gordon Hearn and Mrs. Thomas L. Rossi planned the tea.

Mrs. A. E. Anaciero and her committee consisting of Mrs. R. E. Williams and Mrs. V. C. Brandt decorated the tables for the fourth grade tea, with wishing well centerpieces and flowers and leaves to carry out an "Autumn" theme. The food committee was Mrs. D. S. Phil, chairman, and Mrs. I. E. Barkley, Mrs. L. L. Bennett and Mrs. C. E. Fosselius.

"Apples for the Teacher" theme for the third grade tea was carried out with apple tree centerpieces, slates appropriately be-scribbled and red-ripe apples. Decoration committee was Mrs. A. D. Overman, E. Kubank, H. E. Pittfield and Mrs. Wm. Yarnell. In charge of food was Mrs. E. H. Lewis, Mrs. E. M. Blank, Mrs. R. S. Taylor and Mrs. H. Beck.

The fifth grade tea committee used a Halloween theme. Black cats and pumpkins made by the children and autumn leaves and chrysanthemums decorated the tables. Planning committee was Mrs. L. C. Duggan, Mrs. L. Collins, Mrs. A. Carlson, and Mrs. W. B. Milligan.

Mexico invaded the cafeteria during the sixth grade tea. Vegetable laden Mexican oxen carts were centerpieces for the tables. Room mother, Mrs. M. Millinich and Mrs. M. Dunlap were assisted by Mesdames D. Cummings, I. E. Barkley, Paul Girsch, Arnold Andridge, Opal Anderson and E. E. Combs.

"Autumn Halloween" was the theme for the seventh grade affair. Table decorations of autumn leaves and flowers, cornstalks and pumpkins were used. In charge were Mrs. L. Spivak, Mrs. V. Garner, Mrs. G. Frederickson and Mrs. R. Burns.

Men talk as if victory were something fortunate. Work is victory. Wherever work is done, victory is obtained.—Emerson.

Christ Lutheran Names Church Building Council

Christ Lutheran Church this week took a decisive step forward in its building program with the naming of a building council, according to the Rev. Oscar J. Lee, pastor.

The council elected by the congregation includes O. C. Ziebell, general chairman; K. R. Germann, program; B. Whitney, construction; V. Johnson, publicity and H. Nolden, finance chairman. The chairman will name assistance to work on committees.

The new church will be built on Ashbury Ave. at Stockton, El Cerrito, property which was recently purchased by the church. The building will be financed with funds provided by the American Lutheran Church.

Christ Lutheran welcomed seven new members into the church last Sunday. They are Mr. and Mrs. J. R. Sandifer, Mrs. Eva M. Boeskenoogen, Mr. and Mrs. M. B. Hansen and son, Donald, and Mrs. Ruth F. Dyer.

Marin Cubs Receive Achievement Awards, Induct 11 Bobcats

Achievement awards, initiation of 11 new Bobcats and moving pictures highlighted the first fall meeting this week of Albany Cub Pack 3 at the Marin School.

Inducted into the Pack were Austin Angell, Paul Andregg, David Bowen, Bruce Johnston, Richard Meyer, Henry Schroeder, Robert Strohmer, Harold Turner, Robert Wells, David Woolworth and Dana Wylie.

The following awards were made by Cubmaster John Tilbury and Advancement Chairman Roy Henderson:

Wolf Badges—Bill Henderson, Rod Henderson and Michael Wells. Bear Awards—Larry Anderson, Danny Trotter, Bill Keating and Bob Barclay.

Lion Awards—Harold Barclay and Bill Mariarty. Wolf Gold and Silver Arrows—Michael Wells, Bill and Rod Henderson, Dick Moriarty, Jeff Williams and Peter Duggan.

Bear Gold and Silver Arrows—Larry Anderson, Danny Trotter, Bill Keating, John Longaker and Dick Stayner.

TRUCK DRIVERS

do a big-time job in rolling up proof of

FORD TRUCK ECONOMY

Over 8,000 of America's finest drivers in nationwide Ford Truck Economy Run unfold on-the-job proof that Ford is America's No. 1 Economy Truck!

● The big Ford Truck Economy Run booms along, month after month! Thousands of the country's top professional drivers in every important truck-using business are getting the on-the-job facts about Ford economy, by actual test! They're keeping careful tab on all gas and oil consumed, total repairs and maintenance, miles travelled, loads carried and work done. All this for a full six-month period in the biggest economy demonstration in truck history!

■ Ford Economy Run drivers are men experienced in every kind of trucking duty. They know trucks and they know Ford truck economy. So they're not surprised when their testing shows abundant proof of Ford Truck savings!

■ Come in today. Let us show you why Ford is America's No. 1 truck value. Over 175 models to choose from—95-h.p. Pickups to 145-h.p. Big Jobs.

DRIVER'S FAVORITE! The man behind the wheel likes a Ford for its solid comfort and driving ease. He likes Ford cab roominess and visibility. He likes the "extras" like door-glass Air Wing ventilators—the only standard truck seat with adjustable seat back as well as adjustable seat cushion—Level Action suspension which insulates the cab from vibration, noise and frame weave.

WATCH FOR THIS SIGN! It identifies the thousands of trucks, from ½-ton Pickups to 145-h.p. Big Jobs participating in the big Ford Truck Economy Run throughout America. Watch for it!

Ford Trucking Costs Less Because—

FORD TRUCKS LAST LONGER

Using latest registration data on 6,592,000 trucks, life insurance experts prove Ford Trucks last longer!

Red Cross Donors Needed to Meet Quota

The Red Cross Chapters throughout the Bay Area today are uniting in a plea to residents of the Berkeley-Albany-Kensington area as well as Oakland and Alameda in an effort to meet quota demands of the Blood Bank, 345 Hobart St., Oakland.

Whole blood is required for transfusions in Korea and Red Cross officials have pointed out that donors are often needed to meet the requirements for just one man.

SCHOOL'S OPEN

MAKING OR WALKING.

TAKE IT EASY

In Berkeley the Red Cross has had word that the latest local organization planning to have members visit the Blood Bank in groups is the Berkeley Junior Chamber of Commerce. Arrangements are being made by Bruce Ellithorpe.

Other Berkeley organizations who have kept in step in fulfilling the need for blood are: Production Engineering Company, State Farm & Insurance Company, Philadelphia Quartz Company of California, Challenge Cream & Butter Association, University of California, Pacific Gas & Electric Company, and a group of city employees.

Appointments at the Hobart St. Bank may be made either singly or for groups by calling Glenecourt 2-2840 any time of the night or day.

POLITICAL ADVERTISING POLITICAL ADVERTISING

Don't Be Fooled!

Proposition No. 6 is no "pension measure"! It makes no change in pension eligibility requirements.

By licensing every known form of commercial gambling, and taking a cut from the profits, Proposition No. 6—according to its promoters—would provide a new fund for payment of present pension benefits now being met by general taxation.

But before one cent would be paid for pensions, all expenses of a newly created, self-chosen 5-Man Gambling Commission would have to be paid in full!

Under Proposition No. 6, gambling spots could be exempted from local taxes—yet real communities would be burdened by the huge cost of increased police protection against the horde of racketeers, gangsters and hoodlums that Proposition No. 6 would attract to California.

Francis V. Keating, Sr., Chairman

COMMUNICATED

(Editor's Note: The following letter was sent to Councilwoman Mrs. Kathie Zahn on October 19 by Mrs. John B. Wilkes, Mrs. Zahn's appointee to the Albany Library Board.)

Mrs. Kathie Zahn, Councilmember Albany City Council Albany 6, California

Dear Mrs. Zahn:

I should like to submit my resignation as a member of the Library Board, which also includes the position of Secretary of that body.

I feel compelled to take this step because of factors beyond my control. I have taken my responsibilities as a board member seriously, have recorded the minutes of the meetings faithfully, have made detailed recordings of interviews and round-table discussions when speakers have been invited to our meetings, or in meeting with other groups, and have presented reports to the Board when authorized to make findings related to special, pertinent data. I have never felt reluctant to spend the necessary time required on the work of the Library Board.

However, this is the first and only occasion I have ever experienced in work with a group; where so much friction existed. On any Board or Committee there are bound to be differences of opinion. That is only natural; various ideas and suggestions are a constructive asset. However, my reports and suggestions on the Library Board seem to arouse antagonism with some of the Board members, which, through personality conflict, presents a barrier to constructive thinking. My belief is that reports should be factual, and that suggestions should warrant consideration, or at least courteous response. Above all, I believe that discussion should be conducted on a dignified level, despite variance of opinion. In the absence of this,

"It's the service I like"

says: Walter Gionella
Elks Club

and because of the possibility that my presence on the Board contributes to this inharmonious, then for the good of the City and for my own sense of well-being, it is better that I resign.

It has been a privilege and pleasure to have worked with you, Mrs. Zahn. My association with all the other Councilmembers, though brief, has been pleasant. I also wish to express my sincere appreciation to all the City employees who have so cheerfully and capably given me assistance by supplying routine information which is so essential when undertaking a new job.

My only suggestion at this time would be, if possible, to obtain the services of a Secretary who is

ALBANY TIMES

Friday, October 27, 1950

not a member of the Board. Although this might require that the Secretary be paid, which is not necessary under the present arrangement, nevertheless a great many hours outside of meetings must be spent on this activity; and furthermore, it is very difficult for a person engaged in active group discussion to make verbal contributions to the group and at the same time record all that is being said.

Very sincerely yours,
MRS. JOHN B. WILKES

All these fine car features at lowest cost: Center-Point Steering; Curved Windshield with Panoramic Visibility; Fisher Unisteel Body-Construction; Hydraulic brakes with Duralife rivetless linings.

It operates more economically

Owners know that Chevrolet brings them an unequalled combination of thrills and thrift, because it's powered by a Valve-in-Head Engine—trend-setter for the industry—exclusive to Chevrolet in its field.

It's better looking—all around

Walk around a Chevrolet... study it from every angle. You'll find it's the best looking of all low-priced cars, as a recent independent nationwide survey shows—and, in addition, it's the longest, widest, heaviest car in its field. Come in and see it!

It drives more easily

Finest no-shift driving at lowest cost with Chevrolet's Powerglide Automatic Transmission*... or finest standard driving at lowest cost with Chevrolet's Silent Synchromesh Transmission.

It lasts longer, too

Chevrolet cars are extra-sturdy, extra-rugged, extra-durable. That's one reason why there are over a million more Chevrolet cars on the road than any other make, many having served over a long period of years.

It rides more smoothly

So smooth—so steady—so safe... the easiest riding car in its field... thanks to the Unitized Knee-Action Ride combined with airplane-type shock absorbers all around!

*Combination of Powerglide Automatic Transmission and 105-h.p. Engine optional on De Luxe models at extra cost.
